

Keeping Hempfield Democrats Engaged & Informed

PA Municipal Election is Tuesday, November 2, 7 a.m. - 8 p.m.

Dems Can Win if You Vote!

The November 2 Municipal Election is more important than many people realize because it impacts our state's judicial system and our local school board. For several precincts, it also impacts municipal authority. Being local, Municipal Elections have a more direct impact on our lives than Presidential Elections.

If you want a fair justice system, public schools that provide high quality education and protect all students' rights, and municipal supervisors who value all lives and seek housing and infrastructure solutions that are both environmentally and economically sound, you must vote for Democrats on November 2!

If you think Democrats can't win locally because we're outnumbered by Republicans, think again. We have enough Democrats in Hempfield to outvote Republicans because not all Republicans vote. **If every Hempfield Democrat votes in this election, we could win!**

We have excellent Democratic Candidates running for office. Please support them with your vote!

Voting Deadlines

PA voters can vote in person or by mail in the municipal election, but they must observe these deadlines:

- Oct. 18** - Last day to register to vote
- Oct. 26** - Last day to request an absentee/mail-in ballot

To register to vote or apply for an absentee or mail-in ballot, visit votespa.com.

Hempfield District School Board

School boards establish policies, approve educational curriculum, and decide on safety protocols, including COVID-19 protocols. Having a diverse board would help ensure that all district populations' needs are addressed equitably.

There are four open seats and only four true registered Democrats running. *Be aware that Linda Johnston will appear on the ballot as a Democrat, but she is actually a registered Republican who cross-filed.* Please **vote only for these four true Democrats below.**

Jennifer Applegate (D) will use her social work and counseling experience to ensure policy decisions benefit all children.
(Two-year term)

Theron Mitchell (D) wants teachers to have necessary resources to improve learning outcomes and to support programs that help every child prosper.
(Four-year term)

Alison Hutchinson (D) plans to ensure that funds are used wisely and that every student has the opportunity to succeed and thrive.
(Four-year term)

Amy Moreno (D) wants all students from this diverse district to receive a quality education and for students' and teachers' physical and mental health to be a top priority.
(Four-year term)

These candidates support LGBTQ students' rights. Three of these candidates have education backgrounds, and all are parents of district students. To learn more, visit hempfelddemocrats.org or hempfieldtogether.com.

HADC Supports LGBTQ Students

Jennifer Ericson, Michael Mezzetti, Caroline Ulrich, Lizz Bender, Jessica Haile, John Herr, & Marcy Dubroff

HADC volunteers joined a crowd of hundreds to support transgender students during Hempfield School District's board meeting July 13. The school board is considering policy that would impact transgender athletes' rights to participate in sports.

HADC strongly supports transgender students' rights to be recognized and participate in sports as the gender they live, regardless of birth gender. To show your support, contact the Hempfield School District Board of Directors. Their email addresses are listed on the School Board page of hempfieldsd.org.

Statewide Judgeships

State judges wield power to change lives and ensure that PA's justice system is fair for everyone. The state's supreme court justices also weigh in on laws impacting our rights.

Please vote for all four of these experienced, Democratic candidates.
