Keeping Hempfield Democrats Engaged & Informed

PA Primary is Tuesday, May 17, 7 a.m. - 8 p.m.

Primary Power!

Politics has never been more partisan than it is right now, making Primary Elections even more impactful. During the Primary, each party selects its top candidates to be on November's General Election ballot.

Help shape the direction of the Democratic party by voting in the Primary!

Too few voters in either party turn out for Primary Elections, which means that the vote of each person who does has more power. If you want your party to be more reflective of your values, you need to vote in the Primary.

Hempfield has 12,365 registered Democrats, but in last year's Primary, only 3,468 of them voted. That's only a 28% turnout.

When you vote in this May's Primary, you'll help to select the Democratic candidate for U.S. Senator, U. S. Representative, Governor, Lieutenant Governor, as well as Representatives to the State Assembly.

At a very local level, you'll also determine which Democrats will serve as your voting precinct's Committee People. Every voting precinct can have two.

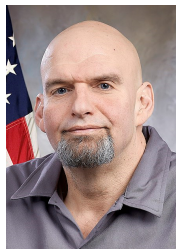

Michael Mezzetti and Jennifer Applegate are your Committee People, and they are hoping you'll vote for them both on May 17. Michael's name will be printed on the ballot, but you'll need to write Jennifer Applegate on your ballot to vote for her.

We look forward to seeing you at the Primary May 17!

Help Wanted!

HADC is a 100% volunteer organization. We operate on a shoestring budget and can only do as much as we can afford.

Putting this newsletter together, for example, takes hours of work – all volunteer labor. Printing it costs about \$0.25 each. If you found this on your front door, yet more volunteers delivered it. With postage costing \$0.58 each, we don't have the funds to mail it.

Because we have a shortage of volunteers and funds, we only get the newsletter delivered to a fraction of the Democrats in our district. We need more volunteers and donations so we can reach more Democratic voters and increase voter participation.

If you want more Democrats to vote or run for office, consider volunteering for or donating to HADC. To learn more about doing either, visit the Ways To Help page of our website, hempfielddemocrats.org or use the form below.
